To Amesbury Preparative & Seabrook Monthly Meeting

Beloved Friends

I cannot rest easy in mind until I let you know the state of my mind since I left your society At first I thought that I could go to meeting with my family and feel contented but the longer I went the more unhappy I felt and I was at last glad to leave and I have not been in any meeting but yours since and I have no desire to I admire to sit down in your quiet meetings and I feel happy also in your silent meetings for I do believe that it is the way that our Heavenly Father wants us to worship him I never have regretted that I left the Congregational church and society but I have and do now truly regret that I left your society it has caused me many an unhappy day and I am well aware that the inconsistent course that I have taken has had an evil tendency to the cause of christ and it has had a tendancy to destroy your confidence in me I have noticed that some who did formerly attend your meetings do not now I hope that I have not been the cause of their leaving for I have a strong desire that your society may prosper and I do hope that the time will come that I can do something for the good of your society and also to undo the evil that I have done I have caused you considerable trouble for which I am sorry and I hope that you will all forgive me I do love your way of worship I have spoken the plain language for some time and I should wear the plain dress if I stood in need of a new garment With the help of God I think

that I shall follow the rest of my days that true light that lighteth every man that cometh into the world. I feel that there is no safety unless I conform strictly to all the principles of Friends for if we break away in one thing there is danger of giving up all. You know my heart I do believe in all the principles of Friends and now my beloved friends I do not feel easy in standing alone in the world I want to be where I can be useful at least more so than I am now I want you dear friends to receive me into your society again as soon as your confidence is restored or I may say with more propriety when you think it best

I still remain your loving friend

To the Monthly Meeting

The committee appointed in the 12th Mo. 1860 to visit Pittsfield meeting and to have some care thereof, report that we have not been unmindful of our appointment, that most of us have visited that meeting and a part of our number several times and have endeavored called upon most of the families constituting it, We have endeavored to to encourage and strengthen the meek to arouse the careless and indifferent and to impart such counsel as we were enabled to and way seemed to open for There visits have been to our own peace and we hope not wholly in vain to the visited, We would still commend that meeting in its low state to the careful consideration of the monthly meeting believing that notwithstanding weakness and indifference seem to prevail with some there are others who earnestly desire to be found in the way of well doing who need the encouragement and sympathy of their friends

To Seabrook Monthly Meeting of Friends

James H Beede some time ago contrary to our well known peace principles enlisted and joined the army of the United States and when heated with justified himself in so doing and since his discharge from the army has for a year past seldom attended any of our religious meetings and has obtained money to a considerable amount under a false pretence and spent the same in idleness and vice and has for a considerable time past associated almost exclusively with the idle and vicious all of which he fully acknowledged

We would further state that although he acknowledged his faults we regret to say that we were unable to discover that humility which is the sure attendant of sincere repentance and he did not appear to us to be in a situation of mind to give us but very little hope of a speedy reformation. That a part of the committee have visited them at four different times within the year; a meeting was held with them in the sixth month, and again in the ninth month. In the winter a few of the committee called upon some of the families, but the severity of the weather and the depth of snow prevented holding any meeting. For the 5th month a meeting was held with them. Those meetings have been to our satisfaction and appear to be appreciated by friends and others in the neighborhood. At the close of the last meeting a friend requested those present to stop and proposed that a regular Monthly meeting on first days be assumed at half past ten o'clock, which seemed to be united with, also to hold a first day School at the close of the meeting. We hope the Monthly Meeting will continue to attend such help and care as they may need by Committee or otherwise. Signed on behalf of the Committee

The Committee who were appointed to visit and correspond with our members who are not in the habit of attending meetings with us report ——————

There are those who are attached to the Society and its principles who are circumstanced it is difficult for them to attend meetings — in such cases we think it would be well to wait — hoping the time will come when they will be able to mingle and worship with their friends. There are others who could attend meetings but manifest no desire to do so, or to retain their right of membership — And while we would gladly keep our members within the fold of Zions Ark we know when the privilege of membership is so lightly esteemed so entirely thrown aside — it can be no benefit to them to retain them on the Society whose name they bear.
